

# SUMMER ADVENTURE

## Education by Experience in a World Class Environment

*Finnish Lapland is the land of myths and dreams. It is the place where summer and winter meet – the place where light and darkness dance together from the white summer months to the dark aurora nights. Summer adventure camp gives us a possibility to step outside our comfort zone and open our eyes to new world and new cultures. There is no limit, what can be achieved during the camp; new challenges, different kind of environments and diverse cultures create meaningful learning experiences*
