Arctic Winter Camp 3 Day Finnish Nature & Culture Experience

THE PROGRAM IS AVAILABLE FROM JANUARY TO MARCH

Discover the magic of the Arctic in just three days!

Winter Camp by Northern Skills Finland Education offers an immersive and educational adventure into the heart of Finnish Lapland. Designed for international youth groups and educational travelers, this program combines authentic nature experiences with cultural exchange and hands-on learning.

Participants will:

- Learn essential winter survival skills like fire-making, map reading, and cross-country skiing
- Explore Arctic biodiversity and the effects of seasonal changes
- Engage in creative workshops, including traditional Finnish crafts and baking “tikkupullat” (stick buns)
- Connect with local youth through sports and shared activities
- Experience Finnish language, cuisine, and culture in a fun and interactive way

The camp culminates in the Northern Skills Finland Olympics, a playful competition that fosters teamwork, problem-solving, and personal growth.

This program is rooted in the Finnish national curriculum and utilizes phenomenon-based learning to inspire curiosity, sustainability, and global citizenship.
